

LEARNING MANAGEMENT SYSTEM (LMS) **APPROVING ORDERS – LOCAL LEARNING REGISTRAR**

When an approver is on leave, a Local Learning Registrar (LLR) has the ability to make approvals on their behalf. This QRG will guide an LLR through the steps to verify the CAN assigned for NIH Training Center course enrollments for a specific Learner and make the necessary approvals.

A report named “NIH Registrations Needing Approval” is available to allow you to monitor the approval queue of another approver. A report subscription can be configured to email their approval queue to you on a periodic basis.

1. Log into the LMS.
2. Click the **Admin** icon.
